Artist

Artefatto

Artefatto is a creative exchange; a cross-disciplinary design studio where creativity takes shape through research and experimentation. Focused on finding simple solutions to complex briefs, Artefatto is a Milan and London based studio where creativity is at the core of every project. Using a unique view of the past and present, Artefatto creates for the future, ensuring every client forward-thinking and cutting edge solutions.

ARTEFATTO

Desk & Console

CVX Console

The CVX Console is a sculptural, monochromatic piece characterised by use of volumes and straight and curved lines. CVX re-establishes our normal expectations of visual hierarchy by creating a balance between both parts of the structure. The piece is kept monochromatic in order to highlight the geometry of the piece, every angle, every length carefully considered and as important as the next.

Exclusively for Movimento Gallery.
Limited Edition of 6+1.
