Coffee & Side Table

0 to 1

“0 to 1” is a side table crafted from stone, embodying the transition between a circular and a squared section. The name represents the interpolation from 0, seen in the circular section of the base, to 1, reflected in the vertical extrusion of the squared top. This piece illustrates the transformation between two distinct shapes in a single object.

Exclusively for Movimento Gallery.
Limited Edition of 6+1.
