Artist

Montserrat Benetts

Montserrat Piña Benetts (1992, Mexico) is an industrial designer based in Mexico City, interested in exploring the idea of love for objects, through a design language that delights the senses and creates a connection with users that go beyond materiality.

She has a trajectory of more than 5 years in furniture and interior design, in which she has sought to base her practice on chromatic experimentation, with a strong conceptual background.

Accessories

Lagoon Vase

Lagoon is an invitation to a deeper contemplation of everyday life, it defies uniformity in shape and color, confronting the ordinary and becoming a landscape on its own. Lagoon is a flower vase with a heavy and textured volcanic rock base that commands a great presence, and its gradient colored translucent shade changes the perception of the flowers or greenery that it can contain.

Made exclusively for Movimento.
Open Edition.
