Artist

sashaxsasha

Alexandra Gineva (b. 1987) and Alexander Dobrovsky (b. 1989) are Moscow based architects; in 2013 both got Master of Science in Architecture degree in Sint-Lucas University (Ghent, Belgium). For last six years they have been working in their own architectural studio Masterskaya.be.

Be in Moscow, mostly on exhibition design projects and private interiors.

Seating

SSB01W

SSB01W is the new edition of the bench in exclusive material for Movimento.

As the next step for the new edition, sashaxsasha covers this sculpture with an unexpected material - Poplar burl veneer. With these means they want to contrast a randomly formed shape against the finish traditionally used for expensive and sophisticated joinery.

Made exclusively for Movimento.
Open Edition.
