Artist
Spinzi

Spinzi is a creative atelier based in Milano, specialized in furniture design, interior decoration and art direction. We operate following a coherent artistic vision, that we can declinate on a case-by-case basis. Everything we do is part of an immersive universe, an expression of our passions and inspirations that conjures an aspirational lifestyle.

Medusa Musso

Spinzi's dream of jellyfishes swimming in the waters of lake Como came to life in Medusa, shaping marble pieces into the sinuous elegance of these mesmerizing creatures. The pieces come to life sculpting blocks of solid marble, shaped to bring dynamism and elegance to the space that surrounds them.

Made exclusively for Movimento.
