Artist

KAMEH

KAMEH's objects of design are centred around nature and the human self. Not the singular mortal designer behind them. This is why KAMEH is masked to conceal their identity and more importantly preserve their privacy and maintain focus on the pieces. KAMEH wants viewers to enjoy the products and not be concerned about the face behind them. KAMEH is the designer, yes, but also the brand, the pieces, and the story.

Seating

KAMEH Stool 0.1

It appears on the pristine white surface as though there is purity and calm, there is a simplicity to admire, but, when taking a deeper look at the underside of the table and bench, there is a harsh contrast caused by the rough and imperfect body.

“There is no beauty in perfection, only imperfection.”

Made exclusively for Movimento.
